

A summary of the adult social care sector and workforce in Wigan

Across England, the vacancy rate has decreased compared to last year and the number of filled posts has increased. During this period international recruitment increased which has impacted these trends.

Workers in Wigan had on average 9.2 years of experience in the sector and 72% of the workforce had been working in the sector for at least three years.

We have many resources and tools available to help. Please visit our [values-based recruitment](#) page for more information.

Skills for Care have also collaborated with the adult social care sector and people who draw on care and support to develop a [Workforce](#)
